

# Permission for Dual Participation in Fall Sports and Senior Football

The Administration of Marian High School discourages the practice of participating in both a Fall Sport and Senior Football due to the excessive time commitment necessary and the increased potential for physical injury and detriment to academic progress. However, recognizing that this is a choice which some students may be able to handle, a student may, by filing this permission slip with the Athletic Director after obtaining the appropriate signatures, participate in both a fall sport and senior football.

As always, completion of MACS hours and associated paperwork is necessary before Senior Status and eligibility for Senior Football is achieved.

I, \_\_\_\_\_ (student name), wish to participate in both Senior Football and \_\_\_\_\_ (fall sport). I, along with my parents, understand that by making this choice, we accept responsibility for any and all consequences, including, but not limited to, increased risk for injury, loss of play time during games if I miss practice for any reason, difficulty in keeping up with academic assignments, and associated stress.
